June 2021

Hi Everyone,

Welcome to the Hastings Budgerigar Society Newsletter for June.

I hope your young birds are coming on nicely and starting to show promise, as well as improving their overall quality from the previous year.

If anybody would like to contribute to the Newsletters, then please contact **Gary** on **01424 882951** or email: info@hastingsbudgerigar.society.org

All submissions to be in by 12th of the month.

FOR A FUTURE MEETING

Ian Standley would like to know:

In addition to your normal seed mixture, what natural products/foods do you feed your birds? i.e. vegetables, herbs, branches from trees, meat etc.

Please send your answers via email to ianstandley53@gmail.com, or text to **07738 915125**.

CLUB UPDATE

The Committee held a Zoom committee meeting at the start of the month and discussed the possibility of resuming meetings and also holding our show. The feedback received from members has been positive and, depending on government Covid regulations, it is proposed to resume meetings on Monday 26th July and also stage our show on Sunday 22nd August 2021.

The proposed diary of events is as follows:

Monday 26th July – AGM and general catch up and chat.

Sunday 22nd August – Open Show.

Monday 20th September – Discussion evening with Gavin Carter and Ian Fordham.

Monday 25th October – Colour Identification and Seed Recognition.

Hopefully the lifting of restrictions will happen on the 19th July which will allow for all the above to take place.

SEED COLLECTIONS

For those of you who get seed from Peter, he is happy to do another trip over to Northiam. This will be on **Monday 28th June** to meet in the Village Hall Car Park at 7.30pm. Please observe the government guidelines when collecting your seed. You can contact Peter on **01303 813893** or email: ulyatt25@hotmail.com to order.
