What this society can offer you

The Hastings Budgerigar Society was formed in 1980 by a small group of dedicated fanciers. Since then it has grown and is a friendly society catering for the needs of the hobby. We have members from all over Kent and Sussex.

We aim to give simple but practical advice on all aspects of keeping, feeding, breeding and showing budgerigars. We pay special attention to those members who are just starting out, with various talks and slide shows on the basics of the hobby, as well as inviting top breeders along to give presentations.

For those who wish to exhibit their birds we have a Silver Championship Open show each year. There are also other shows in the wider area put on by similar clubs and societies which you can also take part in.

We like to think that not only are we a Budgie Club but also a Social Club. Throughout the year we organise social events and also individual members invite other members along to their bird rooms.

Every month members receive our monthly newsletter giving details of forthcoming events, hints and tips on keeping budgerigars and the opportunity for members to advertise items for sale.

Meetings are held at **Northiam Village Hall, Station Road, Northiam, E. Sussex TN31 6RA** on the fourth Monday of each month at **7.30pm**. Maps are shown on the back page.

All this for just your annual subscription.

So why not come and join us? For more information and details of our programme of events throughout the year call **Ian** on **07738 915125** or **01424 224984**.
